## let's talk about safety

The safety of your kids is the most important part of what we do. We all want to pitch in and help our community, and to help keep our kids safe. We provide two very important tools to assist parents and law enforcement in the event that a child goes missing; a current school portrait and Click and Safe ID Cards.

Every child is photographed, regardless of purchase. Parents will receive 2 free Click and Safe cards as well as 24/7 access to their child's photo via our website using the secure photo ID provided on the card. Click and Safe cards are wallet sized and contain the child's photo and all relevant information that law enforcement needs to locate the lost child as quickly as possible. We have been helping to give parents in our community peace of mind for more than three decades. Let us help your parents too.
